HUDSON VALLEY LIGHTING

This highly textural, visually interesting table lamp plays with form, texture, direction and color. Vertical fluting at the top and bottom of the ceramic base make the horizontal stacked silhouette feel special and a reactive glaze creates unique shades of grey and blue that poo and spread throughout the curves and ridges on the base.

*Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.
*Lamp includes its standard shade. Personalize the look with an optional shade add-on, sold separately.
