STRIPE™

7113.98-WL

Sonneman

A vertical column of light rises from a modern rectangular armback in the Stripe™ sconce. The simplified linear form features a slim illuminated LED stripe, which can be customized with interchangeable red, blue, or yellow color inserts. Designed to cast a wall-washing glow while minimizing glare, Stripe illuminates both interior and exterior spaces, day or night. Available in Textured Bronze, Textured White, and Textured Gray finishes, the fixture adds artful intrigue to residential and commercial spaces.
