BOX

7343.72-WL

Sonneman

The Box family projects a powerful downlight from pared-down geometric silhouettes. Whether as compact cubes or elongated columns, the rectilinear forms embody a strong architectural presence that makes for an optimal guiding light along pathways, entryways, or exterior walls. As a luminaire, it comes in two sizes, while the sconce is available in one size. Finish options vary by fixture and include Textured Bronze, Textured Gray, and Textured White.
